

Servosteel

Job Description

Job Title: CAD / Estimator

Responsible to: Business Development Manager

Description:

The role of CAD/Estimator is to provide drawings of profile parts for Laser cutting or folding to exact customers specifications and be able to nest these parts for efficiency and costing. Effective and efficient liaison with the Laser services team and customers is essential for this position.

Principal requirements:

1. The ability to draw in a CAD system.
2. The ability to nest profiles to ensure that sheet utilisation is maximised.
3. The ability to interpret technical drawings
4. Experience of the laser market essential
5. Communicate in a professional manner directly to customers
6. Create a quotation/proposal suitable for the customer
7. Provide resolutions to customer queries
8. Order processing and contract review
9. Knowledge of products and material specifications
10. Highly motivated and able to work as an individual or as part of a team
11. Excellent attention to detail
12. Carrying out other duties as you may be requested by management

In return, you will receive a competitive annual salary, along with a bonus scheme, health care and the opportunity to develop and progress within an established organisation. Please submit your interest and CV to Clare Melia via email cmelia@servosteel.com to be considered for this fantastic opportunity.
