

Servosteel

Job Description

Job Title: Sales Estimator

Responsible to: Laser Services Manager

Description:

The primary role of the Sales Estimator is to provide a viable quotation to meet our customer & Servosteels requirements. The ability to draw profile parts for both Laser processing/folding to customer specifications & achieve optimum material utilisation is key. Effective communication with the Laser Services team and customers is essential for this position. The candidate should also be highly motivated and an effective problem solver.

Principal requirements:

1. Create a quotation which is viable for the customer and Servosteel.
2. The ability to draw in a CAD system.
3. The ability to nest profiles to ensure we maximise material utilisation.
4. The ability to interpret technical drawings.
5. Order Processing and contract review.
6. Provide resolutions to customer queries.
7. Experience of the laser and folding market would be advantageous.
8. Knowledge of ferrous and non-ferrous metal specifications is expected.
9. Excellent attention to detail.
10. Carrying out other duties as you may be requested by management.

In return the right candidate will receive a competitive salary, a cash health plan and the opportunity to develop and progress within an established organisation.

Please submit your interest and CV to **Alex Preece** via email apreece@servosteel.com to be considered for this fantastic opportunity.
